

# DUETTE®

Honeycomb Shades

*More fabrics, opacities, pleat sizes, and colors than any other cellular shade.*

*Duette® honeycomb shades are the industry's proven leader in both style and innovation.*

*Four different kinds of fabric opacities from sheer to opaque maximize light control and privacy.*

*And our proprietary UltraGlide® lifting system will enhance the performance of your Duette shades. Just click and walk away for convenient operation.*

*Duette Duolite® shades combine two fabrics on one shade for the ultimate control over light and privacy.*
